North Valley Chorale

The North Valley Chorale is a voluntary, non-profit organization dedicated to the cultural, musical, and social enrichment of metropolitan Phoenix and its surrounding communities. We serve all segments of our community by providing affordable and accessible performances of choral music from many traditions, eras, and cultures. We work with joy and passion to improve our skills and capabilities so that we may perform these works at the highest possible level of personal and collective musicianship. We seek, recruit, and integrate a diverse and committed set of vocal talent into our membership.

The North Valley Chorale reaches out into the surrounding community not only to share our music but to serve and lift up those suffering or in need. We do this by providing free concerts and volunteering our services throughout the year.

**We invite you to join our list of contributors.
