Message from the Director

What an exciting (some might say *frantic*) six weeks we've had preparing our third "Love is in the Air" show for you. I am so very blessed to be working with such an amazing group of singers, and we hope you'll enjoy every moment of our performance.

None of this would happen without the help of some very special people. First, I have Shannon Barrett and Carolyn Nyland, who not only help me in rehearsal with movement/choreography, but make videos for the group to practice with at home. Dr. Mark Wallace went above and beyond the call of duty with his work for our singers on our website. What an immense blessing to all of us with its accuracy and attention to every detail!

Other gifts to this collaboration include our president, Anita Murcko; Gervais and Margaret Neno; the Thomson family (Gary, Karen, Eric & Daniel); my husband, Graham; Catherine Lane; Irene Seubert; Tim Nyland; Ava Digati; and "jack of all trades," John Prosek. Every director should be blessed with such a support team!

Another great gift is our composer in residence, Michael Frassetto, whose new piece, "Never too Late for Love," is a true gem ... a delightful blend of great lyrics and catchy melody.

I also need to give a shout out to our singers/dancers, who have spent many hours learning their music and movement; have given up numerous Sunday afternoons for extra long rehearsals; and have maintained such a positive, loving attitude through it all. You make this journey so worthwhile!

Finally, my sincerest thanks to all of you for your continued support and encouragement. Enjoy the show!

Eleanor Johnson
